Title I School-Parent Compact

Each school receiving funds under Title I, Part A of the Elementary and Secondary Education Act (ESEA) must develop a written school-parent compact jointly with parents for all children participating in Title I, Part A activities, services, and programs. This compact is part of the school's written parental involvement policy under section 1118 of the ESEA. *Responsibility for improved student achievement is shared by parents, the entire school staff, and students.*

As a school, we will:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables children to meet the State's student academic achievement standards
- Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement.
- Provide parents with frequent reports on their children's progress.
- Provide parents reasonable access to staff.
- Provide parents opportunities to volunteer and participate in their child's class and to observe classroom activities.
- Provide a mutually respectful relationship between all parties (students, parents, teachers, and volunteers).

As a parent, I will:

- Support my child's learning by ensuring that he/she has proper rest and nutrition and attends school on time and on a regular basis.
- Support my child's learning by reading with him/her daily.
- Participate in decisions relating to the education of my child through a mutually respectful relationship with school staff.
- Support my child's class/school (i.e. helping in class/school, volunteering in my child's classroom/school, communicating with my child's teachers, attending school events when possible, etc.).
- Stay informed about my child's education and communicate with the school by promptly reading all notices from the school or the school district either received by my child or by mail and responding, as appropriate.

As a student, I will:

- Read at home everyday
- Ask questions when I am not sure about a lesson or an assignment
- Make good choices like paying attention in class, staying on task, doing my best, and working hard at my schoolwork
- Be the very best "Highland Scot" that I can be each and every day
