

Name: _____

Credit Graduation Requirements for the Class of 2024-2026

English **4** credits

Math **4** credits: must have **Algebra II**

Science **3** credits: must have **Physical Science & Biology**

Social Studies **3** credits: must have **American, World, Gov/Econ**

PE **.5** credit: That is two semesters of PE class (You must take one PE class at HHS. You can get a PE waiver for the other $\frac{1}{4}$ credit of PE with two seasons of HHS sports.)

Health **.5** credit

Business/Technology **1** credit

Fine Arts **1** credit

Electives **4** credits

Class of 2026 ONLY: Financial Literacy **.5** credit, **3.5** Elective credits

Total **21** credits

Things to remember:

- 1) If needed, you can take summer classes to make up credits failed. Even if you intend on taking the failed courses in the summer, you must schedule the courses for the upcoming year. After you pass the summer course the guidance department will then change your schedule.
- 2) You must schedule all four core courses: English, Math, Science, Social Studies. This is flexible your senior year if you have met all graduation requirements. It is, however, highly recommended if you are planning post-secondary education of any kind.
- 3) Seniors-Keep in mind that you must have at least five classes. (Each CCP class counts as two, Senior Work Study can count for up to three high school classes, however it cannot count towards athletic eligibility.)
- 4) You may not schedule more than one study hall or PE each semester.
- 5) College Credit Plus paperwork for Highland (Verification of meeting attendance-only ONCE/ Letter of Intent Paperwork- EVERY year) is due April 1st. The Accuplacer may be given at HHS, we will provide all information if that becomes available. If you miss this, you will need to travel to MTC to take it. Applications are due to MTC by May 1st.
