Other/Electives	3.5 units	<i>Any courses that do not fulfill another requirement area</i>
Total	21 units	

Things to remember:

- 1) If needed, you can take summer classes to make up for failed credits. Even if you intend on taking the failed courses in the summer, you must schedule the courses for the upcoming year. After you pass the summer course the guidance department will then change your schedule.
- 2) You must schedule all four core courses: English, Math, Science, Social Studies. This is flexible your senior year if you have met all graduation requirements. It is, however, highly recommended if you are planning post-secondary education of any kind.
- 3) Seniors-Keep in mind that you must have at least five classes. (Each CCP class counts as two, Senior Capstone Study can count for up to three high school classes, however it cannot count towards athletic eligibility.)
- 4) You may not schedule more than one study hall or PE each semester.
- 5) College Credit Plus paperwork for Highland (Verification of meeting attendance/ Letter of Intent Paperwork- EVERY year) is due April 1st. The Accuplacer will be given at HHS on March 20th, 2024. You must have already applied online to MTC a week prior to testing. If you miss this, you will need to travel to MTC to take it. Applications to MTC are due no later than May 1st.

Name: _____

TEACHER RECOMMENDATIONS AND COURSE REQUESTS

ENGLISH

Student Selection: _____

MATH

Student Selection: _____

SCIENCE

Student Selection: _____

SOCIAL STUDIES

Student Selection: _____

Please list three other full periods of courses you are wanting in your schedule (electives, grad reqs, etc.) Please refer to the curriculum guide for course offerings. Each line should include one full year course or two half year courses.

REMEMBER to pay attention to prerequisites for each course. You CANNOT take a course without completing the prerequisite first.
