

# Making a difference, changing lives.

A scholarship opportunity to honor our beautiful  
Emma West  
and the example she left us.

It doesn't take much to make a difference. Every day we all go through our lives without realizing just how many tiny moments really matter. Saying hello to a passing individual, smiling when making eye contact, asking how someone is. You can't always know just how valuable you are. Many people wonder if anything they do has made a difference or if they have ever done anything that changed someone's life. Emma made it a priority to assure everyone that their presence in this world makes a difference. That they matter and that the world is a better place because of them. Emma possessed the gift of being able to brighten any moment or lift up any person's spirits. It is in her honor and memory that we would like to present scholarship awards to an individual/individuals who will carry on this way of life that she set before us.

*1 Peter 4:10 As every man hath received the gift, even so minister the same one to another, as good stewards of the manifold grace of God.*

*Matthew 5:16 Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.*
