

FREE 2026 SUMMER CAMPS

register at visit.mtc.edu

Health Careers Navigator

Dates: July 14th, 15th, & 16th
Time: 12:00 p.m. – 3:00 p.m.
Space: Limited to 12 students
Ages: Students entering the 9th grade

Discover the exciting world of healthcare at Marion Tech's Free Health Careers Summer Camp! This three-day interactive camp provides hands-on experience. Participants will track a mock patient's journey from intake to diagnosis, treatment, and rehabilitation, gaining insight into the entire healthcare process through engaging activities led by Marion Tech's Health Technologies faculty. Join us for this engaging, educational, and fun summer camp experience!

Esports Beginners

Dates: July 6th, 7th, 8th, & 9th
Time: 9:00 a.m. – 12:00 p.m.
Space: Limited to 10 students
Ages: Students entering grades 6, 7, & 8

General introduction to esports! Each day, try a different game across a variety of genres and learn the basics. Verse your friends and learn new games that are popular in the esports scene. At the end of this camp, you should have basic familiarity with Super Smash Brothers Ultimate, Valorant, Overwatch 2 and Rocket League, culminating in an esports tournament showdown.

Engineering Grades 6-8

Dates: July 20th, 21st, 22nd, & 23rd
Time: 8:30 a.m. – 12:00 p.m.
Space: Limited to 12 students
Ages: Students entering grades 6, 7, & 8

Get ready to spend 4 days of fun, hands-on activities at the Engineering Summer Camp! Learn how to make and test an electrical device from scratch (it's a secret, you'll have to find out what at the camp), use computer aided mechanical design software and virtual reality technology as well as game programming. On the last day, you'll have even more fun in Marion Tech's Esports Arena!

Cybersecurity Grades 6-8

Dates: June 15th, 16th, 17th, & 18th
Time: 9:00 a.m. – 12:00 p.m.
Space: Limited to 12 students
Ages: Students entering grades 6, 7, & 8

Build * Code * Explore (morning session)
Explore the inside of computers, set up virtual servers, and program Raspberry Pi with Scratch to control sensors and LEDs. Hands-on tech fun! The camp concludes with Esports Day unwinding with gaming tournaments in MTC's Esports arena.

Esports Intermediates

Dates: July 6th, 7th, 8th, & 9th
Time: 1:00 p.m. – 4:00 p.m.
Space: Limited to 10 students
Ages: Students entering grades 6, 7, & 8

Recommended for those who attended MTC Esports camp last year, or are familiar with Super Smash Brothers Ultimate, Valorant, Overwatch 2 and Rocket League. Learn to improve your skills! Work with a team and play in an organized environment to learn and improve your own gameplay and learn what it's like to be on a coordinated team.

Engineering Grades 9-12

Dates: July 20th, 21st, 22nd, & 23rd
Time: 1:00 p.m. – 4:30 p.m.
Space: Limited to 12 students
Ages: Students entering grades 9, 10, 11, & 12

Get ready to spend 4 days of fun, hands-on activities at the Engineering Summer Camp! Learn how to make and test an electrical device from scratch (it's a secret, you'll have to find out what at the camp), use computer aided mechanical design software and virtual reality technology as well as game programming. On the last day, you'll have even more fun in Marion Tech's Esports Arena!

Cybersecurity Grades 9-12

Dates: June 15th, 16th, 17th, & 18th
Time: 1:00 p.m. – 4:00 p.m.
Space: Limited to 12 students
Ages: Students entering grades 9, 10, 11, & 12

Secure* Defend * Advance (afternoon session)
Configure servers, explore OSI Layer 2 security, prevent cyber attacks, and program Raspberry Pi with Python to control hardware. Level up your cyber skills! The camp concludes with Esports Day unwinding with gaming tournaments in MTC's Esports arena.
